

Success is love yourself, love what you do, and love the way you do it.

Sukses adalah mencintai dirimu sendiri, mencintai apa yang kamu lakukan, dan mencintai cara kamu melakukannya.

*Love should always encourage you to
do the best for others.*

Cinta seharusnya selalu memotivasi kamu untuk
melakukan yang terbaik bagi orang lain.

THE WRITER'S BACKGROUND

Professions : Lecturer,
Language Laboratory
Instructor, Advisor.

English Literature and
Language is my field of
study and I have been
writing poems, quotes, and
articles online and on
tabloid.

Writing is a bliss to me. I
love writing poems to
express my thoughts and
feelings about the nature,
life, and social aspects.
Lately, I spend most of my
time writing inspirational
quotes based on my

personal experience and observation.

I believe by writing inspirational quotes I can motivate the readers, my students, and other people. Reading does not end when you stop reading the poems, quotes, and articles. It brings about something “Fruitful” as you have finished reading it. It can be new ideas, motivations, renewals.

I hope this Inspirational Quotes Book inspires my readers.
