

For beginning at 1710, in the Bahamas land there is a woman about twenty seven year old walk at crowded place. She just arrived and suddenly get hit by group of mans. She got yelled and one of them said to her “hey, watch you’re walking lady, you’re hit me. How will you take responsible for it?” The lady said “I’m sorry, I don’t see it. Are you alright?” That man than grab the hand of woman and said “you have to pay for this!” After that, show up a cool handsome man about twenty three year old in front of them then rescue that woman.

He hit that man and beat up the others. After know that they lose to that man, they run off and leave the woman behind. The woman said to that man “Thank you for saving me, Mister. If you don’t save me from that group of man, I don’t know what will happen to me.” That man then said to her “don’t think I help you are free, you will work for me in my ship. I think you will useful to me because I looks you wear a glasses just look likes a smart person. Come with me now.” That man just grabbed the

woman's hand and take to his ship. The woman said "hey mister wait... please wait." But that man ignore that woman's said, he just walk forward and still grab that woman's hand. After arrived in big ship that had skull flag, at the top of the right flag they draw a little green leaf, there is mermaid statue in front of the ship, had a square topsail that can be use where there is useful windy, square topsail could be hoisted to give a ship a top speed that could on occasion exceed eleven knots, and had six cannons.

The man said to that woman "this is my ship, her name is 'Diamond Dash'. My name is Captain Jack Pearl and this 'The Revenge' my crew's name, my crew just 8 peoples. From now on you will work for me, you will belong to me." The woman get shocked and said "what's.... I can't do that!" Captain Jack said "yes, you will! What's your name, young lady?" The woman answered with afraid of face "my....my name is Anne Louise." Ok from now on you will start for mopping that floor first after that go to kitchen you will help Billy prepare for the meal.

Go now, start for work.” Jack pushed Anne to the front. The ship started to leave the island, Anne can’t do anything to stop the ship, so she just obey what Captain’s had said to her. Anne took a knife that she hid it under her trouser. That knife is useful if she at danger. She cut her hair short with that knife to make easier for working in that ship. Anne then put her knife again under her trouser. Anne’s journey begin, the ship take her to England. Anne walked slowly searching for the broom, she look to the right and left then try to ask a man in front of Anne, that man look likes a Chinese person.

“Excuse me Sir, where is Mister put the mop?” asked Anne. That man answer “there in that door to the left.” Anne said “ok thank you, Sir.” Anne took a mop and started mopping the floor and after that she goes to kitchen. “Hello I’m Anne, Captain said I had to help Mister cooking the meal” said Anne. Ok, just called me Billy. Help me cutting the vegetables” said Billy. “Ok, oo I want to ask about something, I met man it is look likes he is a Chinese

person, it's that right?" said Anne. "Yes, his name is Yann Ye, he from China. Yann came to England and met Captain at the market. He said want to join to be Captain's crew. He journey just himself, he said want to find adventure and seen us to be interesting for him. Our crews some of them from other country Larry from France, George from Greece, Finn from Italy, Jake from Spain, and the rest of them from Westminster" said Billy. "Oh I see" said Anne, Anne then helping Billy preparing the foods.

The Captain climbed to the top place at the Mathias's place to watch around the ship to make sure that everything alright. In the afternoon, they find fish for foods. Captain then go to find Anne at the kitchen. "Is your job finished yet?" asked Captain. "Yes, I'm finish helped Billy" said Anne. "Ok, you follow me" said Captain. "Ok Captain" said Anne. Anne then followed Captain to bottom stair. "There are cabin for the crews, man and woman had their own cabin just mine cabin at the top, near storage room and steering place. The middle room for

animal, so I take to your own cabin at the bottom same as other crews room” said Captain. “Ok, Captain” said Anne followed the Captain to her own cabin. “Here your cabin, you can put your things at there, if you haven’t eat dinner you can go to dining room to eat there, after that you have to help Billy cleaning tablewares, and if you don’t have any job to do after that, you can go back to your cabin and take good sleep because tomorrow in the morning you will work the same things as today” said Captain.

“Oh where we going to go Captain?” asked Anne. “We going to go to Lisbon, at Portugal” said Captain. “Oh I see. Ok, Captain good night” said Anne. “Good night Anne” said Captain. Captain then go to stair, Anne entered her cabin, put her things, lock the door, and goes to the dining room to eat. Finished ate she helped Billy cleaning tablewares, she finished clean tablewares, Anne goes to her cabin taking a bath and prepare to sleep after she locked her door. Anne felt tired today so she doesn’t want to do other things. The next day after Anne finished help

Billy cleaned the tablewares. Billy takes Anne to go to the primary deck at middle near animal's room, when they arrived in there Anne had seen the Captain and the crews singing, playing the music, and dancing to pass the time at the sea. "They doing that every night if they don't have job to do" said Billy. Anne smiling saw them doing that. Billy introduced Anne to other crews.

Anne enjoyed the entertainment and decided to sleep at 10 o'clock. At the year 1710 the peoples used pendulum clock that been invented in 1656 by Dutch scientist Christiaan Huygens and patented the following year. Huygens was inspired by investigations of pendulums by Galileo Galilei beginning year around 1602. Galileo had idea for pendulum clock in 1637, which constructed by his son in 1649, but neither lived to finish it. Back to story the journey goes smoothly without been disturb by other pirate. They really different than other pirate, they don't steal the foods and moneys. They just find it from hunted the treasures, some sell the

fish, other done the hunter things to find person that on wanted list, or doing the task that some peoples asking for. After the few days, they arrive at Lisbon. The ship landed at the port, the office's persons then came to check the permit letter. Anne saw a lot people from different countries, she looks so enthusiastic looked the view there. The Captain smile when see Anne and said "This really great, don't you think?"

Anne answer "Yes, it is, a lot people had different skin, clothes, and hair. It is means different peoples from different countries know about this place." Captain said "yup this is old city that had big port, a lot peoples know about this place. You new here and you haven't take some job to do to earn some money, so you will work with me. Tomorrow we are going to center of city to see the wanted list. We will find that person and earn money. Now you can take a look the city, after that at night you can sleep at ship or sleep at inn with your own money if

you have.” Anne answered “but Captain, I don’t have martial skill to capture the wanted person.” Captain said “it’s ok, you will learn on the battleground. Now I want to spend my day alone, bye. See you tomorrow.” Captain then leave Anne alone in the crowded place. Anne just confused and don’t know what to say. She just stood there with blank mind. After that she just thinking “should I run now, this my opportunity to not interfere with dangerous situation.”

Anne just run randomly, she doesn’t know where to go. Rather than thinking she will be death tomorrow, she just run and run. After Anne entry in the wood, she breathless and decide it to take some rest. She think that now she already far away from the city. She so shocked when her shoulder been touch by something, when she try to see who been touch her. Her face get pale, it is Captain who touch her shoulder. Anne asked Captain “Captain why you know I’m here?” The Captain said “My crew told me

that he saw you running out the city. So I try to chase you back and I find you here.” After that Captain grab Anne’s hand and walk to the city. “Cause you will run again if I let you go alone, so where I go, you will come with me. Now let go to country house restaurant, I hear that place well-known. Let’s go” said Captain. Anne can’t deny the Captain’s order, so slowly follow the Captain. Arrive at restaurant, Captain order many foods. He eat so fast and Anne just watching the Captain eating.

Anne become hungry, so she decided to eat too. She just ordered the ordinary food. They seem enjoy eating. After they finish eating, the Captain decided it to go to the market to buy lavash. “This place sold many kind of food, what’s that food name?” asked Anne. The Captain said “Yes, they are. This is lavash probably from Middle East it soft and thin unleavened flatbread that made in a tandoor, tandoor is some kind cylindrical clay used for cooking and baking that using wood fire to heat

inside tandoor. You want to try some? Here try it” said Captain. “Ok thank you Captain” said Anne receive lavash from Captain and try it. “What do you think about the taste?” asked Captain. “Cause so thin don’t have any taste at all” said Anne. “Hahaha that made just some wheat flour and water, if you want to add the taste can put cheese or meat or ham inside it” said Captain laughing. “Oh I see” said Anne smiling. “In night, where do you choose to stay? At inside inn or at ship?” asked Captain.

Anne said “in the inn, cause for few day I been sleep in the shaking place.” The Captain said “Ok then, we should pay half and half because I won’t let you sleep alone in the room. You will escape again.” Anne said “wait Captain, I will not escape again. I will keep my promise to you. Please you must trust me.” The Captain said “Ok, then. If you try to escape again and I find you, you will take responsibility for that. Remember you must pay for yourself the room, I will not pay it for you.”
